PHS Service Weeks

How to Profit from our Special Offer*

1 Book 5 Days of Technical Service

One of our experienced and high qualified service technicians will be on site for 5 days to make your machine and your staff fit again.

Depending on your individual requirements, this service could include for example:

- checking the condition of one machine in terms of functionality and efficiency
- checking specific wearing parts
- maintaining specific parts of one machine
- cleaning specific parts of one machine
- optimisation of production settings or workflow in case of any issues
- consulting and training staff etc.

ONLY € 2.490

EACH ADDITIONAL DAY ONLY € 295

2 Choose One of Our ,Exclusive Add-Ons‘

PHS will reward your 5-day-service order with one of the following thank you gifts:

Ewon Router

As from January 2026, PHS will offer remote support only via the new Ewon Router Cosy +.

To further profit from our remote support, your machine must be equipped accordingly. So, get your Ewon Router now!

FOR FREE

OR

GVA Software Update

During the on-site service days, our technician will install our newly developed software on your GVA**. The intuitive graphical user interface as well as the optimized data flow and performance of our software will increase the efficiency of your production. (**only if suitable for your machine)

* **Terms and Conditions:** This offer is valid till September 30, 2025. The five days of service must be completed consecutively by the end of 2025. The offer refers to one machine and includes costs for daily allowance, working hours and travel time. Flight, hotel and transfer costs are NOT included and will be charged additionally. The offer includes only one of the three add-ons, the conditions of which only apply when booking the 5-Days-On-Site-Service Package within the promotion period. The software update and the Ewon Router will be installed during the five days of service. Any additionally booked service days must follow immediately after the five service days.
